

# Kayleigh

## Marillion

**Bm**      **A**      **F#m**                      **G**      **A**      **Bm**  
 Do you remember, chalk hearts melting on a playground wall?

**A**      **F#m**                      **G**      **A**      **Bm**  
 Do you remember, dawn escaped from moonwashed college halls?

**A**      **F#m**                      **G**      **A**      **Bm**  
 Do you remember, the cherry blossom in the market square?

**A**      **F#m**                      **G**      **A**      **Bm**  
 Do you remember, I thought it was confetti in our hair

**A**              **F#m**      **G**      **A**      **Bm**  
 By the way didn't I break your heart?

**A**      **F#m**                      **G**      **A**      **Bm**  
 Please excuse me, I never meant to break your heart.

**A**      **F#m**                      **G**      **A**      **Bm**  
 So sorry I never meant to break your heart.

**F#m** **G**  
 But you broke mine.

Chorus

---

**D**  
 Kayleigh is it too late to say I'm sorry.

**G**                      **D**  
 Kayleigh could we get it together again.

**D**                      **G**                      **D**  
 I can't go on pretending that it came to a natural end.

**D**  
 Kayleigh I never thought I'd miss you,  
            **G**                      **D**  
 and Kayleigh I'd hoped that we'd always be friends.

**D**  
 We said our love would last forever,  
 G=7F  
 so how did it come to this bitter end.

---

**C#m**      **B**      **G#m**                      **A**      **B**      **C#m**  
 Do you remember, barefoot on the lawn with shooting stars

 Do you remember, loving on the floor in Belsize Park

**B**      **G#m**                      **A**      **B**      **C#m**  
 Do you remember, dancing in stilletos in the snow

**B**              **G#m**                      **A**      **B**      **C#m**  
 Do you remember, you never understood I had to go.

By the way, didn't I break your heart ?

**B G#m A B C#m**  
Please excuse me I never meant to break your heart

**B G#m A C#m B**  
So sorry, I never meant to break your heart,

**G#m A**  
But you broke mine.

Chorus

---

**D**  
Kayleigh, I just want to say I'm sorry,

**G D**  
but Kayleigh I'm too scared to pick up the phone.

**D G D**  
To find you've found another lover to patch up our broken home.

**D**  
Kayleigh, I'm still trying to write that love song,

**G D**  
Kayleigh it's more important to me now you're gone.

**D**  
Maybe it'll prove that we were right

**G**  
Or it will prove that I was wrong.
